Professional Highlights

Driven B.Sc. Computer Science and Engineering graduate, complemented by a 4-year Computer Technology diploma, offering a unique blend of theoretical and practical IT knowledge. CCNA certified and experienced in routing, switching, and basic hardware. A proactive learner seeking to apply expertise and contribute to a forward-thinking organization.

Core Proficiencies

- Networking
 - Computer Troubleshooting
 - Computer Programming
 - Team Management
 - Database
 - MS Office
 - Best Typing 48 wpm
 - Deep Learning
 - Excellent Communication
-

Practical Experience

Internship

New Vision Information Technology, Chittagong

January 2020 - April 2020

- **CCNA Certified:** Completed a comprehensive certification in CCNA.
- **Internship Experience:** Completed a 3-month internship focusing on practical and theoretical router and device configuration.
- **Network Fundamentals:** Developed a strong understanding of various network topologies.

Training

Cox Computer, Cox's Bazar

November 2020 – March 2021

- **Integrated Hardware & Software Training:** Completed 5 months of practical experience in computer hardware and gained insights into Windows systems, software, and security.
-

Education

B.Sc. in Computer Science and Engineering

Daffodil International University, Ashulia DSC, Savar

Grad Year: 2025

Diploma in Computer Engineering

Cox's Bazar Gov't. Polytechnic Institute, Cox's Bazar

Grad Year: 2020
